

Blended Carpet

STUDIO RENS | FOR MOOOI CARPETS

Experimenting with colours and printing techniques resulted in carpet Blended by Studio RENS. Blended is an irregular-shaped carpet in different shades of red or blue. The design came to life through a process inspired by Riso techniques. Layered printing of the same colour with subtle differences in saturation and intensity. The result is a unique pattern with extraordinary colours. A timeless design that finds its way into any interior.
