

Canvas Heritage Pillow

MARCEL WANDERS

The Heritage Pillows are a hymn to the rich history of the Netherlands. A beautiful contrast – the affluence of historic tales presented in a contemporary graphic fashion. Each Pillowcase is made of rich and luscious jacquard. The original images that inspired the graphics lie in the archives of the Amsterdam library. The Heritage pillows are embellished with graphic motives of historical buildings and ornaments that bring you to another time. Inserts sold separately.

Detailing

Marcel Wanders studio's Heritage Pillows balances between tradition and modern design.
