Canvas Oil Pillow

MARCEL WANDERS

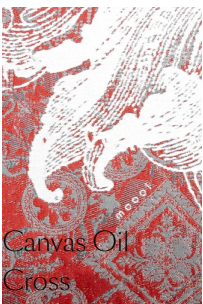

The Oil Pillows are a hymn to the rich history of the Netherlands. A beautiful contrast – the affluence of historic tales presented in a contemporary graphic fashion. Each Pillowcase is made of rich and luscious jacquard. The original images that inspired the graphics lie in the archives of the Amsterdam library. The red strokes in the Oil Pillows are an ode to the unique 400-year bond between the Netherlands and Japan. Inserts sold separately.
