

Corduroy Umbrella Squid Decorative Pillow

MOOOI

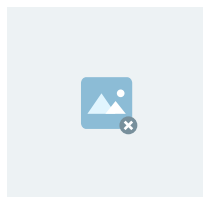

The Corduroy Umbrella Squid decorative pillow is part of Moooi's Extinct Animals bedding collection. The luxury decorative pillow depicts the magical skin of the Umbrella Squid, which was covered with luminous jewels that changed colour. Light and shadow alternated gracefully in a magical underwater world of movement and colour. The front of the decorative pillow is made of ribbed cotton velvet, which gives the pillow more depth and comfort. The smooth velvet back of the decorative pillow has the same print as the front. The pillow is finished with luxurious zip with the Moooi logo as a beautiful detail. Insert sold separately.
