

Embroidered Flying Coral Fish Decorative Pillow

MOOOI

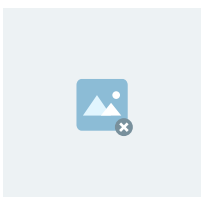

The Embroidered Flying Coral Fish decorative pillow is part of Moooi's Extinct Animals bedding collection. This 100% raw silk decorative pillow is inspired by the Flying Coral Fish, an extinct animal that most resembled a bright dragonfly in full flight. The front of the decorative pillow is beautifully embroidered with images of the Flying Coral Fish. The other side has a quilted and embroidered pattern inspired by the unique characteristics of this Extinct Animal.

Detailing

The decorative pillow is made from 100% high quality raw silk. The quilted and embroidered designs add a sophisticated touch.
