

## Extinct Animals Print

MOOOI

Add an artistic and beastie touch to your space with the Extinct Animals prints. Choose from three drawings, found in the Museum of Extinct Animals, the amiable Dodo Pavone, glorious Calligraphy bird, and adorable Armoured boar. The drawings are piezo printed on fine art paper to perfectly convey the rich, subtle, and finely detailed characteristics of each animal. Choose all three to create a themed gallery wall or a single one to make it shine individually. The choice is yours! The posters measure 25x35 cm and have a matte finish.
