

Flock of Light

STUDIO TOER

Flock of Light, by Studio Toer, transforms from a light and airy artistic design piece at daytime, to a swarm of bright lights at night. Flock of Light comes in two sizes: 11 and 21, after the number of light sources. Both sizes are made from brass cups, bronze wires and semi-transparent polycarbonate diffusers. This suspension lamp brings a bright, warm and poetic glow right after dark. A Flock of Light captured in stillness.

Detailing

Like standing amidst a swarm of buzzing bright lights. Flock of Light captures the magic of a warm summer evening.

Dimmer

For fluent dimming behaviour we advise a dimmer that is compatible with the following specs.

Please note the functioning of the dimmer and the power supply combination can never be predicted, it always needs to be tested in practice.

DIMMER TYPE

Mains dimmable (trailing edge / reverse phase)

LOAD TYPE

Capacitive load (C-Type)
