

Heracleum II Suspended

BERTJAN POT | POWERED THROUGH ELECTROSANDWICH® BY MARCEL WANDERS

Nature meets technology in the Heracleum II Suspended by Bertjan Pot. This airy LED lamp is inspired by the flowering plant of the same name that can grow as high as 5 metres. The white leaves in the Heracleum II Suspended ramify from one branch creating a very technical, natural structure thanks to Electrosandwich by Marcel Wanders studio. The Heracleum II Suspended comes in two sizes and three different colours.

Detailing

Heracleum is powered by Electrosandwich, a technique of coating conductive layers, very thin and delicate. A design not possible with normal wires.
