

Heracleum The Big O

BERTJAN POT | POWERED THROUGH ELECTROSANDWICH® BY MARCEL WANDERS

In the Heracleum The Big O, by Bertjan Pot, the flowering leaves are shaped in a blossoming crown. In the old days, a circular crown was a symbol of power, eternity and glory. The Heracleum The Big O adds the beauty of nature and prosperity to that row. Available in two sizes and three colours, this festive foliage is suitable for any space and crowns any interior.

Detailing

Heracleum is powered by Electrosandwich, a technique of coating conductive layers, very thin and delicate. A design not possible with normal wires.
