

Herbarium of Extinct Plants Pillows

MOOOI

The Herbarium of Extinct Plants Pillows are inspired by the ancient flora and fauna of the old days. Over the past century, many plants and flowers went into extinction. Luckily, our early adventurers drew and conserved the most extraordinary plants and flowers during their travels. The Herbarium of Extinct Plants Pillows show us these illustrated plants and flowers in all their colourful glory. A celebration of extinct plants that brings the old world into your home.

Detailing

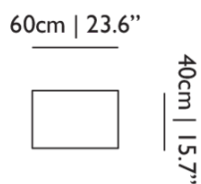

The pillows are crafted from premium velvet fabric feeling soft and comfortable. The insert is sold separately.
