

NR2 Floor Lamp

BERTJAN POT

Like its suspended family members, the NR2 Floor Lamp, by Bertjan Pot, sports an elegant and bright oval-shaped bubble of white or black thread. Thanks to the airy lattice pattern of the bubble and the sleek steel column, the NR2 Floor Lamp doesn't block any views. Put this versatile design in any place that needs brightening up, such as a dark hallway or next to your favourite reading spot. The integrated LED lamp in NR2 subtly diffuses a soft and magical glow. NR2 Floor Lamp is available in two different colours.

Detailing

There's no more versatile light than a floor lamp. Pick it up and put it wherever it's darkest. The transparency of NR2 Floor Lamp keeps a space light

Dimmer

For fluent dimming behaviour we advise a dimmer that is compatible with the following specs.

DIMMER TYPE

Dimmer on power cord

Please note the functioning of the dimmer and the power supply combination can never be predicted, it always needs to be tested in practice.
