

Quiet Collection Carpet

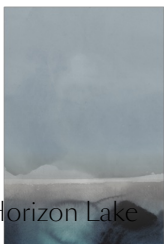

The softness of carpet Horizon comes from the watercolour inspired textures in cool blue tones. The colours are a gentle reminder of how our perception of a horizon changes depending on time and place. Horizon Lake brings a subdued elegance into your home. It's the centre space in a room that lets other extraordinary designs shine even brighter.

Detailing

Moooi Carpets uses a more environmentally aware way to produce carpets. With less dye waste, fewer cleaning cycles and less energy consumption.
