

## Re-Cut Denim Pillows

ATELIER RESERVE

The limited-edition Re-Cut Denim Pillows by Atelier Reservé comprises three handmade pillows, Tiger from Tibet, Black Flower, and Snake Skin. Each design carries the signature Asian-infused style of the Amsterdam-based studio and is handmade from old and new denim. Vintage garments are 'Re-Cut' to give a longer lifespan to fabrics and raw materials that are already in rotation. With this limited edition, Atelier Reservé created sustainable art with used materials. Upcycling at its finest.
