Ripples Carpet

ANDRÉS REISINGER

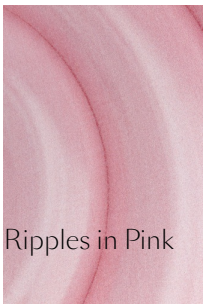

The Ripples Carpet by Andrés Reisinger shows the fluid motion of a single drop falling into water. As soon as the drop hits the surface, a dance of scattering rings follows. The Ripples Carpets in Pink and Silver give us a calm, fluid, and focused world where time seems to move more slowly.

Detailing

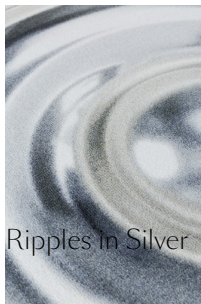

Ripples in Silver remind us of mercury. A captivating metal that becomes fluid at certain temperatures. Captured in a carpet it's almost hypnotising.
