Room Spray Calli Papayan

MOOOI WORKS

Release bottled dreams and wanderlust into your home with our Calli Papayan Room Fragrance. Inspired by radiant flowers found in sandy dunes, blooming under a deep blue sky peeping through creamy cumulus clouds. Dreamy shades of pink and purple tint the desert in a perpetual state of dusk. This bold room fragrance is the most outspoken scent in the Moooi Home Fragrance Collection and leaves a unique impression. Moooi Calli Papayan Room Fragrance comes as a room spray and reed diffuser made from natural ingredients.
