## Sofa So Good

MARCEL WANDERS STUDIO

Sofa So Good by Marcel Wanders studio is a modular sofa system made of generous proportions and feather-like softness. It's made from the highest quality materials and combines smart design and ultimate comfort. A story of contrasts with its linear framework and curvy softness.

The sofa system includes eight different upholstered modules, two tables and three shelves. The tables and shelves are available in six different wood finishes. An eclectic range of fabrics to choose from—like the newly added colours in the Extinct Animals fabric collection—completes the set-up. Sofa So Good is endlessly versatile and is suitable for any interior. In our online configurator you don't just create a sofa; you create a personal space tailored to your needs.
